

WHAT IS THE SURE CARD?

The East Riding Leisure Card (SURE Card) allows you to take part in various activities within the Council's leisure and sports facilities as often as you like for a fixed monthly price.

Subscribe to one of the options opposite and **do more for less.**

WHY CHOOSE A SURE CARD?

A SURE Card allows you to use any of our facilities as many times as you like, depending on the centres programme. You can also use it at any leisure centre across the East Riding. Pick up an information leaflet or call your local Leisure Centre to find out what's on offer.

WILL A SURE CARD SAVE ME MONEY?

The great thing about a SURE Card is the **more you use it the more you save.**

Medical experts recommend we exercise at least three times a week.

Using a SURE Card would reduce the cost of this number of visits per month from £67.20 to £33.00, saving over **£30** with our gym and swim package.

You would even save money if you attended only twice a week.

What's more, unlike many fitness clubs, there is no joining fee and no administration fee. Terms and conditions do apply to Direct Debit memberships, please ask at reception for details.
